WHY ARECA LEAF TABLEWARE?

FROM FOREST FLOOR TO TABLE

NATURALLY SHED ARECA PALM
SHEATHS — COLLECTED
WITHOUT CUTTING A SINGLE
TREE — HEAT-PRESSED INTO
PREMIUM TABLEWARE
THAT RETURNS SAFELY TO THE
EARTH.

MANUFACTURED
IN

 **India**
Karnataka · 100%
India Origin

IEC: ERDPB0046P

100% NATURAL — ZERO CHEMICAL PROCESSING

Made from naturally fallen areca palm sheaths — no trees cut, no chemical pulping, no bleaching, no synthetic binders. Water-washed and heat-pressed only. Each plate retains the natural grain texture — a premium look impossible to replicate with moulded fibre.

100% COMPOSTABLE & BIODEGRADABLE

Fully decomposes within 60-90 days under standard composting conditions — zero microplastic residue. Zero plastic, zero synthetic binders, zero coatings. EU Declaration of Compliance per Regulation (EC) No. 1935/2004 available with every confirmed order.

PLASTIC-FREE & PFAS-FREE

TÜV India LC-MS/MS confirms all 12 PFAS compounds < LOQ (0.01 mg/kg). Aligned with emerging EU PFAS and sustainability requirements. Supports buyer ESG and CSRD reporting with full Sedex, ISO 14001 and ZED Silver documentation on request.

FUNCTIONAL PERFORMANCE

Rated -20°C to 140°C. Oil, water and heat resistant. Oven-safe and refrigerator-safe. 2x thicker wall than moulded bagasse — premium rigid feel for HoReCa, airline catering and retail. LFGB sensory: odour 2/2.5 · taste 1/2.5 (DIN 10955:2004 · LFGB §31).

India-Origin Advantage

MADE IN INDIA

CEPA VERIFIED

NEW

India's manufacturing advantage is further strengthened by current global trade conditions. With Chinese suppliers now **facing import tariffs of up to 125%** in the US market and growing supply chain scrutiny across EU procurement, India has emerged as the preferred alternative source.

Sunwhale Exports offers full India-origin documentation — **Certificate of Origin**, IEC-verified export records — and **India-UAE CEPA preferential duty benefits** for **Gulf buyers**, making our areca tableware a compliant, cost-competitive choice for importers actively diversifying from China-sourced supply.
